no-more
PowerPoint Services for Business Professionals
Thank you...

... for showing an interest in our company and the work that we do. Our purpose is to help make companies like yours more prosperous and a better place to work.

The concept is simple. We take care of your PowerPoint presentations, so you can focus on what you do best. No more wasting hours in PowerPoint.

If you find any of the material unclear or want to dig deeper, I would be happy to have a call or meet in person to discuss this more in-depth.

Best regards,
Anders Thomsen, CEO

How we help

Common problems faced by business professionals and addressed by no-more

Are you familiar with any of these problems?

- Too much time is spent in PowerPoint vs. more value-adding activities
- The visual quality of your presentations is not always on the desired level
- Facing increased competition on speed or price when pitching against other professionals
- More time should be used on analysis instead of formatting
Industry leaders* use outsourcing to focus on what they do best

**Productivity**
Increase employee output by enabling them to focus on what they do best

**Agile cost structure**
Send projects when needed. No need for fixed overhead costs

**Work-life balance**
Knowledge workers thrive when intellectually stimulated - not when they are aligning slides late at night

*These companies are not customers of no-more
Customers work with no-more because it's easy...

Easier than writing to a colleague
- A few lines are sufficient instruction for most tasks

Project ownership
- Dedicated project managers take end-to-end responsibility and guarantee the quality of tasks

Track and trace
- View the status on your on-going and previous tasks

Unmatched ease of use

GDPR compliant
- Full transparency on all customer data, Customizable automatic file deletion, GDPR updated cookie policy

Consistency
- Tailor-made individual guidelines ensure consistency on tasks
...And because it's the fastest PowerPoint Service out there

- **15 MINUTES**: 95% of all tasks start in less than 15 minutes
- **8.7 HOURS**: The average historic turnaround time is 8.7 hours per task
- **365 DAYS**: Ready to assist on weekends and holidays
How we help within PowerPoint

**Brush up**
We brush up your draft and ensure all slides are pixel perfect.

**Visual enhancement**
Based on your input, our PowerPoint designers turn good slides into great slides.

**Turn notes to slides**
We take your handwritten notes or whiteboard drawings and turn them into professional slides.

**Convert screenshots, data or PDF to slides**
We convert any form of screenshots or snippets to your visual guidelines.

Confirmation
no-more sends a confirmation email, including an estimated deadline

Delivery
no-more returns the project via email by the given deadline
Dear team,

Please pimp my slides in the usual fashion. Let me know if you have questions. Deadline is Monday morning.

Hi No-more,

Brush up the attached slides please. Please make sure slide numbers will be on all the slides. Use our standard template. Return EOD.

See yellow stickers across slides. Use the reporting template. Please use background image on slide 6 only. Please return by 09.00 tomorrow.

Dear team,

Please do what you usually do. But change the template with A3 formatting. Deadline next Monday.
How it works

We capture your preferences and save them on our project platform to ensure consistency and guideline adherence.

Heading style (Font size, type, colors, etc)

Title formatting (Font size, type, colors)

Subtitle formatting (Font size, type, colors)

Sticker location, style

Table formatting, table colors

Graph legend

Graph formatting (Data label, Y,X axis)

Text box formatting, bullet point formatting

Source, foot note

Our platform captures all preferences, along with specific examples and feedback.
How it works

Measures are put in place to handle confidentiality

Our specialists go through a detailed on-boarding session on confidentiality and how to preserve it.

Everyone associated with no-more signs strict non-disclosure agreements before being introduced to any client related information.

No-more requires our specialists to have a Verified PayPal account and use multi-factor authentication via Google.

Our specialists are paid well above market rates in their respective countries, leaving no incentive to risking getting banned for any wrongdoing.

No-more never mentions clients names on websites, sales material, or similar.*

*unless they explicitly request to be featured for promotional purposes.
